

# THE QUERREY INQBATION LAB LAUNCHES

## Building a New Community at 1801 Maple

In the first year of the Querrey InQbation Lab, the \$6M+ from the IL Department of Economic Opportunity & Northwestern collectively has enabled the renovation of 15k sq ft. The Q has been intent on building a sense of community through programming which was possible through the generous gift of \$25M from Northwestern Trustee Kimberly Querrey.
